Committee on Admissions

Wilf Hall

139 MacDougal Street

New York, New York 10012-1076

Dear Justin,

The Committee on Admissions, after careful review of your application, has placed your name on the waitlist. Over 10,500 candidates have applied to NYU School of Law this year. We have not, therefore, been able to offer admission to many students whose credentials are strong. Past experience suggests that we will be able to admit a small number of students from the waitlist during the coming months.

Whether and when we will be able to make additional offers of admission is uncertain. We will do our best to reach a final decision on your application as soon as possible. If seats in the class become available, we will want to make offers of admission to those candidates who remain strongly interested in attending NYU Law. Please review [additional information about our waitlist](#) which should be helpful to you in making your plans for the fall.

To let us know whether you wish to remain on the waitlist or withdraw from consideration, please complete the [Waitlist Response Form no later than May 07, 2026](#).

If you decide to remain under consideration, we encourage you to submit any additional information you think may be helpful to the [Office of Admissions](#). Updated transcripts of academic work must be sent to the LSAC for inclusion in your CAS Report. Candidates may utilize the self-service portal on their application status checker to provide any relevant application updates, including letters of continued interest.

We appreciate your interest in NYU School of Law.

Sincerely,
